LYON'S KATHAIRON.—This delightful article for preserving and beautifying the human hair, is again put up by the original proprietor, and is now made with the same care, skill and attention, which first created its immense and unprecedented sales of over one million bottles annually! It is still sold at 25 cents in large bottles. Two million bottles can easily be sold in a year when it is known that the Kathairon is not only the most delightful hair dressing in the world, but that it cleanses the scalp of seurf and dandruff, gives the hair a lively, rich, luxuriant growth, and prevents it from turning gray. These are considerations worth knowing. The Kathairon has been tested for over twelve years, and is warranted as described. Any lady who values a beautiful head of hair will use the Kathairon. It is finely perfumed, cheap and valuable. It is sold by all respectable dealers throughout the world. D. S. BARNES & CO., New York.

It is a certain cure for Dyspepsia, Constipation, Diarrhea, Liver Complaint, and Nervous Headache, and prevents Miasmatic disease from change of diet, water &c. It can be used at all times of day by old or young, and is particularly recommended to weak and delicate persons. Sold by all Grocers, Druggists, Hotels, and Saloons. P. H. DRAKE & CO., 202 Broadway, N. Y.

Banished.—We have frequently been informed of instances wherein scoundrels have annoyed respectable women by their base conduct, and we have been asked to expose them. We do not approve of this. Our impression is that the better plan to deal with the dirty sneaks is to complain of their conduct to the Mayor who will put them through to the extent of the law. Another way to deal with these beasts, and avoid the disagreeableness of a public trial, would be to have a watch set upon their movements, and when caught in dishonorable demonstrations of the character complained of, beaten "within an inch of their lives!" This would, we think, be the most effectual way of putting an end to the dastardly practice which we are considering. Unprotected, virtuous women have only to signify to proper persons their desire to be protected from the lepers who annoy them, and the master will receive prompt attention from gentlemen who are immeasurably interested in protecting the virtue of our community.

Recently a case of the character about which we have alluded to, was brought to the notice of the Mayor, who at once took measures to suppress the obnoxious individual against whom the complaint was lodged. A couple of policemen nabbed the villain in the act of attempting to effect a disbarable purpose, and put him in jail. At the preliminary examination the Mayor gave him a cutting lecture, and told the fellow that he intended to make an example of him, for the purpose of deterring others from such disgraceful conduct.

After the scoundrel returned to jail and had studied over the matter, he sent a proposition to the Mayor, to the effect that if he would discharge him, he would leave the city and never return! We understand that the sneak was let out; and that he has made his exodus from town. Let the work go on; it will improve the atmosphere.

Coming!—They're comin'—the Sharpey Minstrels—in the strength of their quantity and quality. This company comprises the best talent in the minstrel specialty, and the most of it. The Sharpey's have never been in this part of the West, and they will create an excitement on their first appearance.

Mammoth Sale of Lots.—Next Saturday there will be a big sale of city property—the Bomberger Lots on the Hill, East of town. It will be a great chance for bargains—mind that! Friend Mac has the affair in the best possible shape. We will print the advertisement to-morrow.

Charles A. Wickman, indicted for burglary, &c., plead not guilty.

William Keller plead not guilty to grand larceny.

L. P. Hersey to 5 indictments plead not guilty. John W. Dobbins, to murder in the 1st degree, plead not guilty.

Criminal document will be opened in the morning.

Home—George Engle, of the 11th Ohio, who had his foot shattered on the Alexandria Railroad, last summer, by the accidental discharge of a gun, arrived home Saturday from the hospital at Alexandria, Va. The disabled foot was amputated soon after the accident. From some cause—want of surgical skill and proper care probably—the wound has not healed. Even now the bone protrudes some distance through the flesh. The general health of the wounded man is tolerably good.

Continental!—To-morrow evening the "Continental Old Folks" will open at Huston Hall with their inimitable souvenirs of the harmonies of our forefathers and—mothers, and they will continue here for three nights. The "Old Folks" have added several attractions to their band since they were here; and the Paige Sisters are not the least.

Already Here—Harper's Magazine, Atlantic Monthly, and Bon-Ton for April are already at Dr. Rea's, 79 Main street. He has also got the N. Y. Mercury, Sunday Mercury, Weekly Police Gazette, Herald of Progress, Harper's Weekly, Tribune, World, Herald, Independent, Leslie's Newspaper, Illustrated News, &c.

Convention of the People!—The Democracy and Conservative men of Dayton, Constitution-respecting and Law-abiding citizens, are requested to meet at Beckel Hall to-night, to take some action in regard to presenting an acceptable ticket for the suffrages of the People at the approaching City Election.

Pass the word, and turn out in your full strength. "Peace, Unity and Harmony" is the watchword. "Everything for Principles nothing for Men."

Turn Out!

Sunday School Statistics.—Township agents whose duty it is to distribute blanks to be filled up with Sunday School statistics, are requested to see to it that not a single school is omitted. Delegates should be appointed and blanks returned to me by the 30th inst., so as to give me ample time to prepare my report for the County Convention to be held in Germantown April 9th and 10th. If convenient, visit schools in person and render such assistance as may be necessary to have the work well done. J. B. KING.
